

Corporate Patron Form

Why should you be a Corporate Patron of the IRPS 2022, to be held March 27th–31th at Hilton, Dallas, TX?

- Let your customers know that your company is a leader in semiconductor device and systems reliability.
- Reach the niche market of microelectronics reliability engineers participating in the Symposium.

For more than 50 years, the International Reliability Physics Symposium (IRPS) has been the premier conference for engineers and scientists to present new and original work in the area of microelectronics reliability. Drawing participants from the United States, Europe, Asia, and other parts of the world, IRPS seeks to understand the interplay between the reliability of semiconductor components, integrated circuits, and microelectronic assemblies through an improved understanding of both the physics of failure as well as the application environment.

IRPS 2022 Patronage Opportunities:

Gold Level Patron (\$5,000):

- Display your company logo on the IRPS web page with a link to your website
- Logo in attendee handouts
- Acknowledgement at the plenary session
- Display logo in conference hallway signage

Platinum Level Patron (\$10,000):

- All Gold level benefits
- One Free conference registration
- Logo displayed in all IRPS communications
- Logo prominently displayed on the IRPS website
- Name & logo acknowledgement in attendee handouts
- Prominent display of logo in conference hallway signage
- Large logo advertising (big poster or similar)

“A La Carte”/Event Patrons (\$5,500):

Event Patrons receive Gold level benefits as well as other considerations listed below.

Wireless Patron (1 available):

- Sponsor wireless in the hallways & exhibit area. Your company home page appears upon internet access sign-in.

Guidebook Patron (1 available):

- Your company logo appears on the IRPS iPhone/Android apps launch page as the exclusive patron with top level menu option.

Registration Bag/Gift & Mask/Sanitizer Patron (1 - 3 available):

- Company logo on bag/backpack or gift distributed to all registered attendees.

Social Event Patron (1 or 2 available for each event):

- Exclusive display of banner outside ONE event of your choice (workshop reception, poster reception, coffee breaks, breakfast, lunch, etc.).

Please contact the 2022 IRPS General Chair, Charles Slayman (cslayman@cisco.com) or 2022 IRPS Finance Chair Susumu Shuto (susumu.shuto@toshiba.co.jp), if you have any questions or to request a customized package.

→ Visit the conference website: www.irps.org.

Payment Details:

- Web Patron Registration including credit card payment
→ access to <https://cvent.me/ZqbqX0> & click the button “REGISTER NOW” in the banner.
Note: When registering as patron, it does appear similar to a conference registration.
- Checks: Please make payable to IRPS 2022, and send to IRPS 2022, c/o IEEE Meetings, Conferences & Events (MCE) 445 Hoes Lane, Piscataway, NJ 08854

IRPS Highlights:

- 400+ professionals from the semiconductor reliability field
 - 100+ platform presentations and invited talks
 - 70+ posters at the evening reception
 - 20+ tutorials
 - 20+ vendor exhibits for three days
 - 10+ workshops and panel discussions
- *There is a possibility the conference could be held virtually due to restrictions by State of California and Monterey County.*

IRPS gratefully acknowledges the generous support of our 2021 corporate patrons:

Platinum Patron

Gold Patrons
